## PROFESSIONAL SUMMARY

---

Creative and user-focused Frontend Developer who blends design sensibility with technical proficiency. Skilled in crafting responsive, visually compelling web experiences using modern technologies like React, Tailwind CSS, and Laravel. Passionate about intuitive design, clean interfaces, and bringing digital visions to life, both screen-first and beyond, with hobbies including crocheting, sewing, journaling, and exploring new design ideas.

## TECHNICAL SKILLS

---

- **Frontend Technologies:** React.js, Vue.js, Next.js, JavaScript, TypeScript
- **Styling & UI:** Tailwind CSS, Sass/SCSS, Bootstrap, Figma, Adobe XD, Sketch
- **Full-stack & Tools:** Laravel (backend), React Native, Git & GitHub, WordPress
- **Admin & Creative Tools:** Canva, ClickUp, Notion, Trello, Expensify, Google Workspace, Microsoft Office
- **Other Skills:** Responsive Web Design, UI/UX Design, Graphic Design, Content Strategy, Client Communication

## PROFESSIONAL EXPERIENCE

---

### Saint Spark Innovation – Frontend Developer (Intern)

Jan 2025 – Apr 2025 (Remote)

- Developed a secure **Investor Wallet system**, enhancing transaction flow and user trust.
- Contributed to frontend architecture of the **TALIM platform**, using TypeScript and React for responsive, performant, mobile-friendly components.
- Collaborated with design and backend teams to align UI/UX goals with implementation.

### Craftia (Capstone Project) – Full-Stack Developer

Jan 2025 – May 2025 (Remote)

- Designed and built a **global marketplace** for handmade products using Laravel, Tailwind CSS, and JavaScript.
- Integrated **Paystack**, **PayPal**, and shipping APIs (DHL/FedEx) for seamless transactions and logistics.

- Emphasized user-centric design and full responsiveness throughout the app.

## **Awotelo Tech – Frontend Freelancer**

*2023 – Present (Remote)*

- Designed and implemented responsive UIs and wireframes in Figma, converting them into production-ready HTML, CSS, and JavaScript.
- Built visually appealing landing pages and websites for small businesses, ensuring accessibility and performance across devices.

## **Executive Readiness Academy (ERA) – Operations Associate**

*May 2025 – Present*

- Streamlined workflows across three program arms, accelerating task delivery by 25%.
- Managed internal coordination and communications using Notion and Trello, optimizing collaboration.
- Supported client onboarding efforts and feedback processes, improving satisfaction.

## **Awotelo Inc. – Personal Assistant to the CEO**

*Mar 2023 – Present*

- Oversee high-priority scheduling and communication with flawless responsiveness.
- Managed meetings, executive travel, and logistics with precision.
- Coordinated deliverables across teams, maintaining confidentiality and organizational flow.

## **The Unusual Orbit – Virtual Assistant**

*Nov 2024 – Mar 2025*

- Handled administrative tasks, calendar and inbox triage, and cross-team coordination.
- Created and implemented engaging content for marketing campaigns.
- Assisted in virtual event planning and client engagement.
